

REMARKS/ARGUMENTS

This Amendment is filed in response to the Office Action mailed June 2, 2005. In the Office Action, the Examiner rejected claims 1-16 under the judicially created doctrine of obviousness-type double patenting as unpatentable over claims 1-20 of U.S. Patent 6,682,248. To overcome this rejection, enclosed is a Terminal Disclaimer Form PTO/SB/26 and payment for the disclaimer on Form PTO-2038. Applicant therefore respectfully requests the rejection be withdrawn and a Notice of Allowance be issued in the application.

In addition, claim 1 has been amended to correct a minor spelling error.

No additional fee is believed necessary to file this Amendment. If any additional fees are necessary for the proper filing of this document and the supporting documents, please withdrawn them from Deposit Account No. 50-1274(LOCH B-2046CIP).

Applicant respectfully requests that a timely Notice of Allowance be issued in this application.

Respectfully submitted,

William R. Gustavson
